

CLIMATE CHANGE

DESPAIR AND EMPOWERMENT ROADSHOW
with Ruth Rosenhek

Climate change is the most serious issue facing humankind. Learn more and see what you and your community can do to effect change.

A multi media presentation including film of Al Gore speaking on the Australian situation.

Join us for an inspiring presentation exploring your role in a climate change world.

Thursday 8th March 2007

7 – 9 pm Corrimal Library and Community Centre
Short St, Corrimal

Supported by Wollongong City Council
Refreshments available, proceeds to WCAN
