

BIODIVERSITY ON THE BRINK

A COMMUNITY WORKSHOP

SATURDAY 17 FEBRUARY, 2007

You are invited to participate in a forum for individuals and groups that care about their natural environment... and help us celebrate the formal launch of the new coalition "Illawarra Community and Environment Connection (ICEC)".

Share ideas with others as we examine the questions:

- What is the state of biodiversity conservation in our state and your region?
- How do recent changes to NSW Threatened Species Laws impact on your region?
- How could the government improve its tools for threatened species management?
- How can we encourage more members of the community to care about biodiversity?
- How can you increase the effectiveness of your engagement in government processes?
- How can we turn your local biodiversity campaigns into success stories?

WORKSHOP DETAILS

DATE: Saturday 17th February, 2007
TIME: 10:00am -5:00pm (Launch of ICEC at 10am)
WHERE: Wollongong (venue to be announced)
COST: Free (lunch included)
